## Education

### Engineering (AI&ML)

P.E.S Institute of Technology and Management, Shimoga , Karnataka

- **Pursuing Engineering**: Currently enrolled at **P.E.S Institute of Technology and Management**, specializing in **Artificial Intelligence and Machine Learning**.
- **Semester Performance:3rd Semester**: Actively pursuing studies with a focus on advanced topics in AI and machine learning.

    **First Year CGPA**: Achieved an impressive **CGPA of 8.55** across the first year, reflecting consistent academic excellence.**1st Semester SGPA**: Scored **8.45** SGPA.

    **2nd Semester SGPA**: Improved performance with an **8.65** SGPA. **. Notable**

    **Scores**:

    **Mathematics**: Achieved a remarkable score of **90 out of 100** in the 1st semester, showcasing strong mathematical foundations crucial for engineering.

    **Computer Aided Engineering Drawing**: Scored **86 out of 100** in the 2nd semester, demonstrating proficiency in technical drawing and design skills.

Prism PU Science College- Timmanagoudar Education Academy, Dharwad , Karnataka 04/2022

- **12th Grade**: Achieved an overall percentage of **85%**, with commendable grades in core subjects:

    **Mathematics**: Scored **90 out of 100**, demonstrating strong analytical and problem-solving skills. **Computer Science**: Attained **92 out of 100**, reflecting proficiency in programming and computational thinking.

    **Physics**: Achieved **89 out of 100**, indicating a solid understanding of fundamental concepts and principles.

    **Chemistry**: Scored **85 out of 100**, showcasing competence in chemical theories and applications. **. CET Examination**: Secured a rank of **59,210**, which illustrates my preparedness for competitive examinations and commitment to pursuing higher education in the engineering field.

JSS , Sri Manjunatheshwara Central School , Dharwad , Karnataka

04/2020

- **10th Grade**: Achieved **81%** in board examinations, demonstrating a solid academic foundation.
- **Math Olympiad**: Secured **4th place in the city** in the **Science Mathematics Olympiad** conducted by **Science Olympiad Foundation** during **5th grade**, showcasing early aptitude in mathematics and problemsolving skills
- **IIT-JEE Preparation**: Selected out of **500 students** for a specialized IQ test conducted by an institution **Eduleap** merged with our school starting from **7th grade**. This opportunity reflects my potential and commitment to pursuing higher education in STEM fields.

## Skills

**Technical Skills:**

**Programming Languages**: Python, C

**Web Development:** HTML, CSS, JavaScript

**Tools:** Git, Visual Studio,

**Soft Skills:**

Strong verbal and written communication

Effective teamwork and collaboration

Problem solving and analytical thinking

Time management and organization

Adaptability to new technologies

---

## Achievements

- **Abacus Excellence**: Awarded **Gold and Silver medals** for solving the **most number of problems in 5 minutes**, demonstrating exceptional speed and accuracy in calculations.

- **Database Proficiency**: Successfully completed a course in **MongoDB**, focusing on **creating a new cluster**, which enhanced my skills in database management and cloud solutions.

- **TCS Techbytes Quiz**: Achieved **4th place in the regional finals** of **TCS Techbytes**, a competitive quiz focused on technology, showcasing my knowledge and quick thinking in tech-related topics.

- **Smart India Hackathon Participation**: Participated in the **Smart India Hackathon** and advanced through the **internal selection round** at my college, highlighting my ability to collaborate on innovative projects and tackle real-world challenges
